NEW MILLENNIUM COLLEGE OF EDUCATION (Date of Inspection 24-08-16)

- Total number of students admitted in the College for the B.Ed. programme is 26 as allotted by the CDC for the year 2015-2016. Out of 26 students 11 have left the course and only 15 are continuing the studies.
- The College has purchased only 29 nos. new books after the last visit of the Inspection Committee. The Committee suggested that the College should procure text books by reputed Authors as per new syllabus, for the larger benefits of the students.
- The Committee found that the Power point presentation was not properly prepared, the pictures were without any date and write up, dates of academic activities and co-curricular activities performed during the last year was not mentioned in the Power point presentation. Moreover, the compliance report of last year deficiencies was not mentioned in the Power Point presentation.
- The Teacher student ratio was quite adequate. There were four permanent teachers and one contractual teacher for teaching of Science, the teaching of Science teacher was not present on the day of inspection, when asked the Principal, replied that she is pursuing M.Phil from Jammu University.
- The Committee also visited the Library and found that issue of books register to the students was maintained by the College, but the books procured in the Library were not stamped as per secret page when asked by the Principal she replied that the Librarian is on leave and in her place some other is working and she is not well versed with working of the library.
- The Committee observed that after putting more than four or five years continuous service no increment was paid to the teachers and the increment is being paid w.e.f. June 2016. Though the norms and rules have been framed by the Management Committee of the College for paying increment to the staff but that seems only on the paper and not followed in letter and spirits for paying increment to the staff.
- The Library is not automated and no effort has been made in this direction even though pointed out by the earlier Inspection Team.
- No Journals are subscribed.
- The Committee also observed that Management Committee meeting was not held. It was suggested that meeting of the College Management Committee should be held regularly as per norms.

RECOMMENDATIONS OF THE INSPECTION COMMITTEE:

The Committee recommends for extension of temporary affiliation for the session 2016-17 in favour of New Millennium College of Edu. Subject to the condition that the College shall remove the deficiencies as pointed out by the inspection team within a month's time.
