OBSERVATIONS/SUGGESTIONS/DEFICIENCIES:

The inspection team observed that the college management has complied with all the deficiencies pointed out by the last years inspection team. The committee also observed that the college library has not added the required no. of books for the students enrolled in the college as semester system and when asked by the committee as to why the college has not purchased the require no. of books for the candidates, The college management told that the new syllabi, books prescribed by the University of Jammu are neither available in the market nor outside the state. However the committee observed that M/s. Vinod's bookseller of Jammu is supplying some books of semester & the same are being used in the Library. The college management was advised to Purchase/ procure more Text books from the market for use in the Library. Except deficiencies of Psychological Lab which has not yet be complied by the college and the same needs to be complied by the college.

It was further observed that college ~~was~~ has appointed Librarian on Contractual basis by the Management Committee of the College.
