Inspection report of Atman College of Education

The Inspection team visited the college on 12-03-2016 and observed that the deficiencies pointed out by the earlier Inspection team have not been covered by the college. The Inspection Committee further observed that college has not added any new text/ reference book as per the new syllabi prescribed by the University of Jammu, for B.Ed course, which is now based on Semester – System. Committee further noticed that only few books published by M/S Vinod Book Seller were available in the library which were not as per the syllabi prescribed by the University. When enquired from the college Principal, he apprised the Committee that the books prescribed in the syllabi by the University of Jammu are neither available locally nor outside Jammu, as such they were unable to purchase these books. However, he assured the Committee that the prescribed books will be purchased as and when the same available in the market.

With regard to meeting of the Management Committee the Principal apprised the Committee that the College has already made a request to the University for providing the name of V.C. nominee in the Management Committee, approval of which is still awaited from the University.

The College Principal further apprised that only 22 candidates have been admitted in the college during this academic session. Therefore, the teachers who are already working are sufficient to cater to the needs of the students as such no new teacher was required to be appointed for this session. The Committee further noticed two part-time teachers are working in the College.

The Committee further observed that Science Laboratory is not available in the college.
