The members visited the computer labs, class-rooms, library, multi-purpose hall and mess and found that the college has adequate infrastructure for imparting instructions to B.Ed. programme. Further the annual increment to the permanent faculty members be released periodically. The committee noted that the college is in the process of conducting selection of the staff. The Principal was advised to conduct the selection committee meeting in the month of January, 2013. As regards, release of increment the matter is under active consideration of the Management for which the Chairman has assured the committee members that the increment will be released immediate after the management committee meeting is held. The committee also noted that the college has adequate number of books in the Library. The Committee members were informed that this year only 256 students sought admission in the college as compared to 307 students admitted last year against the sanctioned seats of 334 (including management and social infrastructure fund seats).
