## Observations/Deficiencies as pointed out by the Inspection Committee

The committee visited Handa College of Education, Sainik Colony on 18.06.2016. while interacting with the Chairperson of the college, the committee observed that 5-6 faculty members were appointed by the University approved Selection Committee in the session 2014-15. These faculty members are still working with the same management but shifted in the school run by the same trust in view of no admission in the last session. However, management showed interest to run the college from this session and also expressed desire to appoint more faculty members as per new B.Ed guidelines. Moreover, college did not purchase books in the last session for the library of the college.

## Recommendations of the Inspection Committee

In view of above observations, the committee recommends that the Handa College of Education be granted temporary affiliation for imparting instructions in B.Ed for the academic session 2016-18 subject to the fulfillment of the deficiencies as pointed out by the committee within a specific period.
