### Verification:

Verified that the contents of this report are true and correct to the best of my knowledge and belief and nothing has been concealed therein and there from.

(PRINCIPAL)

Major Deficiencies need to be attended on priority:

- ① The committee observed that the principal is still contractual in spite of letters issued from CDC wing to appoint it within three months time, the selection committee has not been convened.  
The college management assured that the needful would be done before 15/3/16, i.e. stipulated time frame to appoint permanent principal as per letter of CDC.
- ② The committee also advised that the librarian be also appointed on permanent basis.
- ③ The management committee of the college has not been convened since 2011, which was again asked to be convened before 15/3/16.
- ④ The college should have atleast 8 faculty members inclusive of teaching subjects for a basic unit of 50 students as per NCTE guidelines.  
The committee directed the management to send the joining orders of all 8 members of staff to office of CDC before the start of next semester.

Minor deficiencies/suggestions:

- ⑤ The committee observed that the advertisement issued by the college had no mention of salary, which was not in accordance with the letter signed by CDC vide No: \_\_\_\_\_  
The committee thus asked the management to issue fresh advertisement notice mentioning the salary to be given to staff (faculty members) & principal.
- ⑥ The committee on physical examination found that the library books have not been purchased adequately in the current session, no book has been purchased except viod publications, which the committee didn't recommend to be kept in library as reference books.
- ⑦ The committee checked the sessional work, reflective journals prepared by the students. Prof. Rajeer Rattan pointed out that the inventory for every visit done to School, DIET, anganwasi has not been properly made. The college needs to consult dept of education in future before conducting practical teaching.

RECOMMENDATIONS OF THE INSPECTION COMMITTEE:

Extended/Not extended

Extended conditionally

Ground for extension/not extension:

The committee recommends that the temporary affiliation in favour of the college can be extended only if the college submits the documentary evidence to the compliance before 15/4/16.
