REPORT OF THE INSPECTION COMMITTEE

Name of the College: Shivalik College of Education

Date of Inspection: 18.01.2017

Observations/Deficiencies/Suggestions:

The committee after physically verifying the record submitted by the college and examining the infrastructure, faculty and other resources; observed as under:

1. The college has 10 faculty members out of which six are regularly appointed and three are on adhoc basis. The college has a sanctioned strength of 190 and as per NCTE norms thus must have a strength of sixteen faculty members.
2. The college has not held its management committee meeting since May, 2015 and needs to convene the meeting as soon as possible.
3. The college is not paying salary as per UGC norms, the reason stated by the Chairperson and Principal was that due to low admission the financial viability of the college has decreased.
4. The college has a good library which is automated, has 18 journals and has purchased books worth Rs. 44,161/- in the last academic session.
5. The college needs to renovate classrooms like broken window panes and faculty room and provide facilities of heating and lighting to students and faculty so as to provide comfortable studying and teaching conditions.
6. The committee on interaction with students found them very motivated. However, they also voiced their concerns regarding the lengthy syllabus and little time they get for coping up with both theory and practical part of

devised syllabus. The students wanted the committee to request Board of Studies of Education to again devise the syllabus keeping in view the limited time available during a semester.

RECOMMENDATIONS OF THE INSPECTION COMMITTEE:

Extended/Not Extended:

Extended

The Inspection Committee recommends that the college may be granted extension of temporary affiliation for imparting instructions in B.Ed. course for the session 2016-17. However, the college shall have to meet the deficiencies as pointed out by the committee and submit the compliance report to the University.
