MIET/2014/746

Dated: 03.07.2014

The Controller of Examinations
University of Jammu
Jammu**Sub: Clarification received from State Government regarding SRO-51 and admissions made by MIET during 2013-14.**

Dear Sir,

Please find enclosed letter no. Edu/Tech/Poly/18/2014 dated 23.06.2014 received from the Government of J&K, Technical Education Department in the matter stated above. The institute had apprised the Government of J&K of the entire matter including the proceedings in the Hon'ble High Court and sought clarification on the rights of the various stakeholders in the admission process. The letter states the following:

1. The admissions made by the institute squarely fall within the ambit of SRO 51, Rule 4(7).
2. The BOPEE does not have the mandate to authenticate admissions made by the institution after it has concluded its counseling.
3. The grant of registration by the University of Jammu is governed by the statutes of the University of Jammu.

Sir, the admissions to B.E Courses are governed by statute 2.1 "Statutes Governing the Degree of Bachelor of Engineering and Technology", Chapter XLIX (pages 196-197) of University of Jammu Calendar, 2010, Volume-II which reads as under:

"Admission to the 1st semester of 4 years B.E Degree Course shall be open to such candidates as have passed 12 years examination under 10+2 scheme with English, Mathematics, Physics and Chemistry (Science Group) from J&K State Board of School Education or any other examination conducted by a University/State Board of Secondary Education recognized as equivalent thereto with not less than 50% marks in aggregate in the qualifying examination in respect of open category and 40% marks in aggregate in respect of SC/ST categories. The admission shall be made on the basis of Common Entrance Test conducted by the Board of Professional Entrance Examinations of the State Govt. for the purpose"

The 33 students admitted duly appear in the gazette published by the BOPEE and hence the admissions made by MIET satisfy the concerned statute of the University of Jammu.

It may kindly be noted that the prescribed fees for registration and examination in respect of these 33 students already stands deposited with the University.

Sir,

I am directed to refer to your letters No: MIER/2014/718 Dated:- 20-06-2014 and dated 04-05-2014, and to say that, so far as SRO 51 is concerned there is no such mandate given to the BOPEE to authenticate admissions made by institutions of their own after the waiting list is exhausted and the only requirement of the said rule is that the management of the institution shall intimate the BOPEE of the admissions made by the them. As far as the grant of registration by the university is concerned the same is governed by the University statutes and neither by the SRO 51 nor by the BOPEE Act or rules framed there-under. The admissions made by the Institute in the above circumstances squarely fall within the ambit of sub rule 7 of Rule 4 of SRO 51.

The purpose of the said rule is that the infrastructure, which has been created by the private technical education institutions, gets utilized fully and the quality of technical education does not suffer because of seats remaining vacant as the institutions are self-financing and do not get any aid from the Government. You are, as such, requested to take up the matter with BOPEE/Jammu University accordingly.
