The Registrar,

Sub: Extension of provisional temporary approval of affiliation to
Ashoka Law College, Kahtua, Jammu for 3 year LLB as well
as five year BA LLB Law Course.

Sir,

The Bar Council of India has considered the matter regarding grant of extension of approval of affiliation to the Centres of Legal Education which have applied for further extension and deposited the requisite inspection fee. Since the inspection of the above Centre of Legal Education has been carried out and decision to be taken which is pending before the Legal Education Committee. Therefore, Council passed the following resolution in this regard: -

It appears to be very difficult for the Council to undertake all the pending inspections of the existing institutions due to paucity of time. The academic session 2013-2014 has already begun and under these unavoidable circumstances, the Council resolves that existing Centres of Legal Education which have applied for extension of approval for the session 2013-2014 and have deposited the requisite inspection fee be granted approval of affiliation for the academic year 2013-2014 only. It is to be noted that the Council shall have to complete the process of inspection before the next approval in the light of the provisions of the Advocate Act, 1961 contained section 7(i) read with Section 7 (m) along with the rules namely, the Bar Council of India Rules, Part IV namely Rules 16, 17 and 18. It is made clear that the above said resolution shall not apply to the following:-

1. Institution will have to deposit the inspection fee for the further approval of extension, if the period of three years has lapsed. But this deemed extension would not apply in cases of law colleges, whose approval of affiliation have been declined by the Legal Education Committee of the Bar Council of India.

2

(2 :

2. The new centres of legal education which have applied for approval of affiliation or recognition of Bar Council of India.
3. The application for new courses or section by Centres of Legal Education. To clarify it is stated that if an existing centre of legal education applied for additional section or new course then no automatic approval is deemed to be granted based on the above resolution.
4. Those Centres of Legal Education which has been declined approval by Bar Council of India for the year 2012-2013 but has been given liberty to apply again.

It is further made clear that the extension of approval of affiliation now granted is coterminous with the affiliation granted by the University."

Since the aforesaid law college has applied for further extension in time. The college is allowed to take admission for the academic year 2013-2014 with existing strength in respect of 3 year LLB as well as five year BA LLB law course.

It is also to inform you that your college had applied for extension of approval of affiliation with requisite inspection fee from the academic year 2010-2011 for three year law course and as per the above resolution the approval of affiliation is extended till 2013-14. As per the Legal Education Rules - 2008, temporary approval of affiliation is to be recommended for not more than a period of three years (Chapter III, Rule 26(a)). Since the period of approval was extended for three years in respect of 3 year law course consecutively, the Rule 26(a) in Chapter III is applicable in your case.

So you are requested to apply afresh for extension of approval of affiliation beyond the academic year 2013-14 with required inspection fee of Rs.1,50,000/- for three year law course immediately failing which your college will not be allowed to admit students for the year 2014-2015. I am also enclosing the application form and check proforma which are to be filled up and sent in triplicate through the Registrar of the concerned University.

This is for your information and necessary action.

Yours faithfully,

(J. R. SHARMA)
