7. OFFICE RECORDS

I] Student Records	Maintained
II] Attendance Records	Maintained
III] Stock Register	Maintained
IV] Account books	Maintained

8. ACADEMIC ACTIVITY

Satisfactory

Observations/deficiencies:

On inspection of the college the team observed that the college still has old furniture in classrooms which needs to be changed to match the ambience of the new building and other facilities created for the students.

The members were of a view that new models and charts be added to laboratories to equip them further.

The college has added about 226 books for the library, but the number of titles purchased was far less than that prescribed under norms. The cataloguing of the books was not done, which was also pointed as a deficiency last year.

No access was available for online journals to the students however few journals and INC newsletter are subscribed regularly by the college.

The computer lab was shifted from old campus to new campus as desired by the committee members but proper furniture for the laboratory was still lacking.

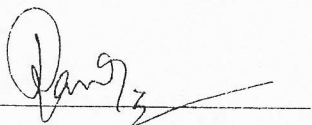

The members appreciated the outreach activities carried out by the nursing students for the adjacent areas.

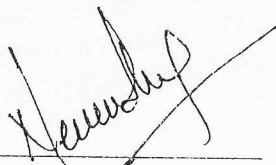

FINAL RECOMMENDATIONS

After conducting inspection of the institute vis-à-vis the prescribed norms, The committee found the infrastructure, faculty and other facilities adequate for running B.Sc Nursing course.

The Committee therefore **recommends extension of temporary /provisional affiliation in favour of BEE ENN College of Nursing, Chak Bhalwal, Jammu for the session 2012-13 subject to the condition that the chairman of the college shall give a compliance report of the deficiencies pointed out by the inspection committee.**
