Observations / Suggestions

- 1) More 'Dummies' and Practical Equipment should be added to the Labs. & there should be a minimum of 5 dummies.
- 2) More Books and Journals of repute should be added in the Library. No. of books should be more than 3000.
- 3) The Teaching faculty appointed by the College should be regularized through the University Selection Committee. & College needs to conduct the meeting of the Management Committee.

After conducting the inspection of the College the Committee found the Infrastructure, faculty and other facilities adequate for running the course.

Contd...

The committee recommends extension of temporary/ provisional affiliation in favour of the Rajiv Gandhi College of Nursing, Jammu for the Session 2016-17 as college has removed most of the deficiencies pointed out by the last inspection team.
