Sub: The need for Strict adherence to the Scheme of Examinations laid down by INC -
reg.

Sir/Madam,

As you are aware, in accordance with Section 16 (h) & (i) Indian Nursing Council Act, the eligibility criteria and Guidelines for the various Nursing examinations have been notified through regulations by INC for strict compliance by the Universities/examining bodies whose Nursing qualifications have been recognised by INC. However recently several instances regarding deviations in the examination schemes, flouting the INC guidelines, have been brought to the notice of INC, in the context of registration of Candidates, by various SNC's with reference to the Certificate and mark list of the qualified candidates (like ~~keeping in view the career interest of the candidates who have already qualified. However in the Interest of ensuring the uniform standards improving the quality of Nursing Education, INC cannot allow such deviations from the prescribed eligibility criteria and exam schemes to continue. All Universities are to ensure that henceforth the Admission Eligibility Criteria and the Guidelines for Examination notified by INC are strictly followed. It is needless to mention here that if conditions for admission to the Nursing Course and the Scheme of examination for the INC recognised Nursing Qualifications are not in conformity with the regulations Notified by INC, then the candidates possessing such qualification shall be entitled to be registered in that State Only where the University/Examining board is situated. [Section 14 (3) (h) of INC Act].~~

For the sake of ready reference the examinations Guidelines and Academic Eligibility Criteria for the B.Sc. (N) course is given below for ensuring strict compliance by all concerned.

Examination Guidelines:

F.No.1-2 / 2019 - INC

Dated: 03 JUN 2019

CIRCULAR

**Sub: Climate Change, Air Pollution and Heat Wave and their Impact on Health- inclusion in
B.Sc.(N) & Post Basic B.Sc (N) syllabus - Reg.**

Climate change and air pollution are emerging as one of the high threats to human health. Air pollution has also emerged as a critical risk factor leading to common non-communicable diseases (asthma, pneumonia etc). Secretary, Department of Health & Family Welfare, Ministry of Health & Family Welfare vide her letter D.O. no. 86/NCDC/CEOH&CEH/2019-20 dated 7th May, 2019 (Copy Enclosed) has drawn attention of INC for considering the revision in Nursing Education Curricula at both undergraduate & postgraduate level to ensure the inclusion of the following topics which are not adequately addressed at present in teaching and examinations:

- i. Climate Change and its impact on Health
- ii. Air Pollution and its impact on Health
- iii. Heat Wave and its impact on Health

Hence it is recommended to incorporate the above topic/areas in B.Sc (N) & Post Basic B.Sc (N) curricula under Community Health Nursing Subject. Accordingly it is requested that all college and universities may please take early action to implement the same so that these subjects are adequately covered in the curricula.

Yours faithfully,

(Rathish Nair)
Secretary

Notification

F.No.22-10/2019-INC

Dated:- 27 AUG 2019

Sub:- Eligibility Conditions for admission to B.Sc (N) program clarification regarding.

Reference is invited to INC notification 22-10/Univ./2019 dated 18.04.2019 regarding terms and conditions of admission to various Nursing Programmes. As far as the B.Sc (N) program is concerned, the minimum educational qualification is indicated as below:-

"A candidate should have passed in the subjects of Physics, Chemistry, Biology (PCB) and English individually and must have obtained a minimum of 45% marks taken together in PCB at the qualifying examination (10+2)."

References are being received seeking clarification whether the minimum marks of 45% for the PCB subjects taken together should be of the II year of the PUC exam or the average of I and II Year. It is clarified that the minimum marks of 45% in the PCB subject taken together should be taken from the qualifying examination i.e class 12th/ the II year PUC examination and not the average of I and II year.

It is requested that the above may please be kept in view while considering the eligibility of the candidates for the admission of B.Sc (N) program.

This issues with the approval of the Competent Authority.

Yours faithfully,

(K.S Bharati)
Joint Secretary

To

The Vice Chancellors/Registrars of all Universitites/Principals of All Nursing Colleges
offering and examining Nursing Programmes recognised by INC.

8.	Maintenance of service fee	Rs.20/-	Rs.20/-
